Temperature and Pressure Relief Valves for Large Water Heaters Recalled by Watts Regulator Due to Rupture and Burn Hazards

WASHINGTON, D.C. - The U.S. Consumer Product Safety Commission, in cooperation with the firm named below, today announced a voluntary recall of the following consumer product. Consumers should stop using recalled products immediately unless otherwise instructed.

Name of Product: One-inch 140X-9 Temperature and Pressure Relief Valves

Units: About 900

Manufacturer: Watts Regulator Co., of North Andover, Mass.

Hazard: The relief valve can fail to reduce pressure and avert failure or rupture of the water heater tank and associated valves, posing rupture and burn hazard to consumers.

Incidents/Injuries: None reported.

Description: This recall involves the one-inch 140X-9 Temperature and Pressure Relief valves, which are typically used in large water heaters for commercial buildings or possibly for large homes. The valves bear item codes 0259844 (75 psi/210°F); 0259924 (100 psi/210°F); 0259708 (150 psi/210°F); 0259925 (125 psi/210°F); and 0259930 (150 psi/210°F). The affected date codes are 0641R through 0930R. The date code is printed after the model number "M15" on a green metal tag fastened to the pressure relief valve.

Sold by: Authorized distributors nationwide from October 2006 through July 2009 for between \$250 and \$280. The valves were typically sold as replacement parts for large water heaters used in commercial locations or possibly large homes.

Manufactured in: United States

Remedy: Consumers should immediately contact Watts Regulator to schedule a free repair.

Consumer Contact: For more information, contact Watts Regulator toll-free at (888) 272-4649 between 8 a.m. and 4:30 p.m. ET Monday through Friday or visit the firm's Web site at www.watts.com

CPSC is still interested in receiving incident or injury reports that are either directly related to this product recall or involve a different hazard with the same product. Please tell us about it by visiting <https://www.cpsc.gov/cgibin/incident.aspx>

The U.S. Consumer Product Safety Commission is charged with protecting the public from unreasonable risks of serious injury or death from thousands of types of consumer products under the agency's jurisdiction. The CPSC is committed to protecting consumers and families from products that pose a fire, electrical, chemical, or mechanical hazard. The CPSC's work to ensure the safety of consumer products - such as toys, cribs, power tools, cigarette lighters, and household chemicals - contributed significantly to the decline in the rate of deaths and injuries associated with consumer products over the past 30 years.

To report a dangerous product or a product-related injury, call CPSC's Hotline at (800) 638-2772 or CPSC's teletypewriter at (301) 595-7054.
